1. General Guidance for e-quotationing:

Intending quotationers desirous of participating in the quotation are to log on to the website <https://wbtenders.gov.in>. The quotation can be searched by typing the First Four Letters in the search engine provided in the website.

2. Registration of Contractors:

Quotationers willing to take part in the process of e-quotationing are required to obtain Digital Signature Certificate (DSC) from any authorized Certifying Authority (CA) under CCA, Govt. of India.

(viz. nCode Solution, Safes crypt, e-Mudhra, TCS, MTNL, IDRBT) DSC is given as a USB e-Token. After obtaining the Class 3 Digital Signature Certificate (DSC) from the approved CA they are required to register the fact of possessing the Digital Signature Certificates through the registration system available in the website.

3. Eligibility for participation:

Contractors, Registered Engineers Co-operative Societies, Consortiums and Partnership firms registered with the State Government and contractors of equivalent Grade / Class registered with Central Government / MES / Railways for execution of civil works are eligible to participate.

4. Collection of Tender Documents:

Quotations are to be submitted online and intending quotationers are to download the tender documents from the website as stated above, directly with the help of the e-Token provided. This is the only mode of collection of tender documents. Details of submission procedure are given below.

5. Submission of Quotations:

5.1 General process of submission.

Quotations are to be submitted online through the website as stated above. All the documents uploaded by the Quotation Inviting Authority form an integral part of the contract. Quotationers are required to upload all the tender documents along with the other documents, as asked for in the tender, through the above website within the stipulated date and time as given in the Quotation. Quotations are to be submitted in two folders at a time for each work, one is Technical Proposal and the other is Financial Proposal. The quotationer shall carefully go through the documents and prepare the required documents and upload the scanned documents of originals in Portable Document Format (PDF) to the portal in the designated locations of Technical Bid. He needs to fill up the rates of items/percentage in the BOQ, downloaded for the work, in the designated Cell and upload the same in designated location of Financial Bid. The documents uploaded are virus scanned and digitally signed using the Digital Signature Certificate (DSC). Quotationers should specially take note of all the addendum/corrigendum related to the tender till the bid submission ends. Quotationers should in general upload the latest documents as part of the tender, however, in case of failure in uploading such documents, it will be deemed that they (Quotationers) have taken note of such latest documents including addendum/corrigendum, if published till the bid submission ends.

5.2 Addenda/Corrigenda: if published.

Note: Contractors are to keep track of all the Addendum/Corrigendum issued with a particular NIT till the bid submission ends and in general upload the downloaded copies of the above documents and merge the Addenda/Corrigenda with respective NIT in the NIT folder. , however, in case of failure in uploading such documents, it will be deemed that they (Quotationer) have taken note of such latest documents including addendum/corrigendum, if published till the bid submission ends, overriding any other terms/conditions if mentioned anywhere else in the concerned NIT.
